RON MORGAN, the most sought-after and well-recognized floral designer in the United States, has dazzled lecture and garden club audiences with his wit, knowledge, and unparalleled creative talents for over 20 years. Through his imaginative use of flowers, fruits, vegetables, and unusual items, he transforms

the ordinary into the exquisite, artfully arranging his striking materials into masterpieces. His tablescapes are legendary for their creativity, elegance, and visual impact.

A Glass Act is the much-anticipated sequel to Ron's two best-selling books, *The Center of Attention* and *In the Company of Flowers*. This 10.5" square publication contains 144 pages of beautiful photographs demonstrating the beauty and versatility of clear glass vessels in home decorating. Whether filling glassware with flowers, shells, vegetables, nuts, fruits, or unusual plant materials, the end result is fun, casual, easy, and affordable. Morgan provides templates from his original designs, which can be easily followed at home to create dazzling centerpieces or colorful, contemporary accents throughout the home. This book makes a thoughtful gift for friends and family members. To order, please send in the form below.
